## [Verse 1]

G                    G7            C                    D7  
I'll always remember the song they were playin',  
C                    D7                    G    Am7 D7  
The first time we danced, and I knew.

As we swayed to the music and held to each other,

I fell in love with you.

## [Chorus]

D7 G                    G7            C  
Could I have this dance for the rest of my life?

Would you be my partner, every night?
