[Verse]

```

                D                Em
Start spreading the news, I'm leaving today
                D                Em                A
I want to be a part of it - New York, New York
                D                Em
These vagabond shoes, are longing to stray
                D                D7
Right through the very heart of it - New York, New York

                G                Gm                D
I want to wake up in a city, that doesn't sleep
                F#m                B7                Em                A
And find I'm king of the hill - top of the heap
    
```

[Chorus]

```

                D                Em
These little town blues, are melting away
                D                D7
I'm gonna make a brand new start of it - in old New York
                G                Gm                D                B7
If I can make it there, I'll make it anywhere
                Em                F#m                G                A                D
It's up to you - New York, New York
    
```
