

# Take It Easy

By Don Henley, Glenn Frey and Jackson Browne

Moderately

Intro: II: G | C | C6 :II G G

Well I'm a runnin' down the road try'n to loosen my load, I've got seven women on my mind

Four that wanna own me, two that wanna stone me, one says she's a friend of mine

Take it eaasy, take it eaasy, don't let the sound of your own wheels drive you crazy

Lighten up while you still can, don't even try to understand

Just find a place where you can stand, and take it eaasy

Well I'm standin' on a corner in Winslow, Arizona, such a fine sight to see

It's a girl my Lord in a flat-bed Ford, slowin' down to to a look at me

Come on baaby, don't say maybe, I gotta know if your sweet love is gonna save me

We may lose and we may win, though we may never be here again

So open up I'm climin' in, so take it eaasy

Well I'm a runnin' down the road try'n to loosen my load, got a world of trouble on my mind

Lookin' for a lover who won't blow my cover, she's so hard to find

Take it eaasy, take it eaasy, don't let the sound of your own wheels drive you crazy

Come on baaby, don't say maybe, I gotta know if your sweet love is gonna save me
